Advanced course on Rare Lipid Disease Athens, September 27th, 2024

EXCLUSIVE EVENT

This exclusive event will be designed to deepen our knowledge and understanding of rare lipid diseases and their intricate mechanisms.

PROGRAMME

The programme drafted under the guidance of the **European Atherosclerosis Society**, in cooperation with the **Hellenic Atherosclerosis Society**, presents a diverse range of educational sessions and a wide variety of topics spanning from diagnostics and guidelines, to therapy and prevention, alongside valuable insights into the latest research and treatment strategies

PROGRAMME

Considering the educational nature of the event, **the number of attendees will be limited** to ensure an optimal learning experience for everyone involved.

Deadline to register: June 31

- ▶ Priority will be given to EAS members.
- ▶ Non-EAS members that will be selected to participate, will receive an one-year complimentary EAS membership.

Notifications will be sent out July 15 to inform you whether you have secured a spot or not.
